

REQUEST FOR PROPOSAL – ADDENDUM 2

For Professional Architectural Design Project

The Request for Proposal (RFP) is clarified as set forth in this Addendum in response to questions received from prospective responders. The original RFP Documents and any previously issued addenda remain in full force and effect, except as modified by this Addendum, which is hereby made part of the RFP. Respondents shall take this Addendum into consideration when preparing and submitting its Statement.

1. It appears the scope of services requested is for design concepts, renderings, CEQA and cost estimates only, but the scope does not include preparation of construction documents, management of bidding, securing permit, or Construction administration. Is this correct?

Yes.

2. Would the selected Architect be precluded from pursuing future phases of the project, including but not limited to those identified above in question 1?

No.
