## Hughson Unified School District

The Hughson Unified School District is an exciting place for people who care about public education. Community members and educators are working together to build an outstanding school system. The Hughson Schools have a long tradition of excellence. Spirits are high, with a great deal of pride in our schools and community. Hughson schools have the deserved reputation of providing an academically challenging educational program with a student body motivated to perform well, resulting in high student achievement. The District consists of 2 High Schools, 1 Middle School, and 2 Elementary Schools.
