

Information for New Residents

Welcome to the City of Hughson!

It is our desire to help your move to our community go as smoothly as possible.

Included here is information that we hope you find useful. Make sure you call the utility companies before you move so there will be no delay in having your utilities turned on at your new address.

Utilities

Electricity/Gas

Electric service is provided by either Pacific Gas & Electric (PG&E) or Turlock Irrigation District (TID). To contact these companies, please call:

- PG&E: 800-743-5000 and follow the prompts
- TID: 209-883-8222

Water/Sewer/Garbage

If you live within the city limits of Hughson, you will receive one bill for water, sewer, and garbage every month. Water and sewer are supplied by the City; the garbage service is provided by Gilton Solid Waste Management, Inc., but the City bills for that service. To start these services, you must open an account with the City of Hughson Finance Department:

7018 Pine Street

Hughson, Ca 95326
